STEWARDSHIP THOUGHTS FOR YOU...

- * If you are not allowed to laugh in heaven, then I don't want to go there! ~ Martin Luther
- * One of the most difficult things to give away is KINDNESS – it is usually returned!
- * The man who is forever criticizing his wife's judgment never seems to question her choice of a husband!

Martin Luther on the TRUST. In 1532, Luther candidly complained about himself when it came to trusting man more than God.

The Shame of Trusting Man More than Our Lord! The most impudent vice and the greatest of Satan's deceptions is that we trust men more than God. I expect more good to come to me from my wife Kate and from all of you friends than from Christ, although I know that no one has done such great things for me as He has done. And although He has done these great things for me, I fear Him more than I love Him! As soon as I say: *Yes, I am a poor sinner*, Christ promptly replies: *I have died for you; that is why I have baptized you; that is why I daily teach you.* How patiently He bore the rude manners of the apostles, and how gently He dealt with them, is a matter we should carefully note. After all, Christ alone, compared with all who are most gentle by nature, is the Lamb; they are lions. But the devil turns all this upside down with his consummate art and converts the most gentle Christ into a stern Judge.
