### STEWARDSHIP THOUGHTS FOR YOU...

- \* **Success is never final, but failure can be!** ~ Bill Parcells
- \* **You can't build a reputation on what you are going to do!** ~ Henry Ford
- \* **Courage is the first of the human qualities because it is a quality that guarantees all the others!** ~ Sir Winston Churchill

**Martin Luther on GOD'S WORD.** (In his Easter sermon of 1530 on Luke 24:13-35, Luther shows his high esteem for the written Word pointing to Jesus faulting the Emmaus disciples for not believing in the written Word.)

**Written Word Most Dependable Evidence.** The matter of supreme importance to us is to appreciate the value and use of Scripture, that is, to know that it is a witness to all the articles of Christ, and the highest witness besides – the witness that exceeds by far all miracles... This, then, is the point that forces us to hold Scripture in high esteem. And indeed Christ Himself here holds it to be the best witness. He says in effect: **You read the prophets and yet do not believe? It is true: Scripture is paper and ink, yet it is the principal witness.** So Christ wants to emphasize it even more than His appearance. He does not say: Why do you not want to believe the women ... or the angels who bore witness to My resurrection? He simply directs them from Himself to the Word and Scripture.
