STEWARDSHIP THOUGHTS FOR YOU...

Martin Luther on the HOLY SPIRIT. (In Luther's explanation of the Third Article of the Apostles' Creed of 1529, he notes that the work of the Holy Spirit continues until the end of time.)

Work that Goes On Till the End of Time. Now, this is the article which must ever be and remain in operation: for creation is established fact, and redemption, too, is finished. But the Holy Spirit carries on His work without ceasing until the Last Day, and for this He has appointed a congregation on earth through which He speaks and does everything. For as yet He has not gathered all the members of Christendom nor dispensed forgiveness to all who are to receive it. Therefore we believe in Him who through the Word daily brings men into the Church and through the same Word and the forgiveness of sin bestows, increases, and strengthens faith, so that when His work is done, and we have continued in it and have died to the world and all evil, He may finally make us perfectly and eternally holy. For this consummation by the Word we now wait in faith.
