STEWARDSHIP THOUGHTS FOR YOU...

- * Remember yesterday, dream about tomorrow, but live TODAY!
- * When God seems absent from us, He is often doing His most important work in us!
- * Stop staring at your problems and glancing at God; start glancing at your problems and staring at God!

Martin Luther on the HOLY TRINITY. (In Luther's Trinity Sunday sermon of 1535 on John 3:1-15, he reaffirms that reason cannot comprehend the doctrine of the Holy Trinity.)

We Must BELIEVE the Holy Trinity. Now if this article (*concerning the Holy Trinity*) seems foolish, what do I care? For if criticism were in order, I, too, would be able to offer it very well, better, in fact, than any Turk or Jew. But I thank my God, who has given me the grace not to dispute about the truth and reasonableness of this article. Since I see that it is so distinctly contained and grounded in Scripture, I believe God more than my own thoughts and reason and do not worry about how it can possibly be true that there is only one Essence and yet that there are three distinct Persons in this one Essence: God the Father, God the Son, and God the Holy Ghost. To argue about the truth of this doctrine is out of place. If it is God's Word, do not be frightened. God will not lie.
