STEWARDSHIP THOUGHTS FOR YOU...

- * Sometimes God's blessings are not in what He gives, but in what He takes away!
- * To us, waiting is wasting. To God, waiting is working!
~ Louie Giglio
- * We aren't called to be like other Christians; we are called to be like Christ!

Martin Luther on the CHRIST. (In one of Luther's sermons during 1529 based on Matthew 12:46-50, Luther expressed how those close to you can be a hindrance to confessing Jesus Christ.)

Hindrances to Confessing Christ. How many people there are nowadays, especially among the very influential, who would gladly accept and confess the Gospel but fear that this may displease father and mother or relatives, may bring them into disfavor with their masters, etc. ... This is indeed how blood acts when it begins to be affected. A father's heart turns to the child, and, conversely, the heart of a child to the parents, brothers, or sisters. Then a person excuses himself and rationalizes his actions by saying: *"Really now, I am of the same blood, this is my child, my own flesh and blood."* I say that when the blood begins to warm and surge like this, the light (of faith) becomes darkened and subdued so that the Gospel cannot be seen; and yet the position is made to appear very fine, as if it were taken out of due obedience.
