STEWARDSHIP THOUGHTS FOR YOU...

- * He who throws dirt loses ground.
- * The first step to wisdom is silence; the second is listening!
- * You don't have to lie awake nights to succeed – just stay awake days!

Martin Luther on THE CHRISTIANITY. (In his 1532 explanation of Matthew 6:16-18, Luther points out that unbelievers can see no glory or nobility in the of Christian life.)

The World Does Not Understand Christian Life. You see, the whole of the Christian life has to be hidden and remain hidden this way. It cannot achieve great fame or put on much of a display or show before the world. So let it go at that. Do not worry about the way it is hidden, covered up, and buried, and the way no one sees it or notices it. Be content with the fact that your Father up there in heaven sees it. He has sharp eyes and can see a very long distance, even though it may be concealed by big, dark clouds and buried deep in the earth. Consequently, the life of all Christians is intended for the eyes of God alone, and that is how it all comes out. We could live any way we pleased, and we could do as well as possible. Still what we did could not make the world satisfied or content or thankful, and it does not really deserve our help and kindness.

Recently, Holy Trinity formed a Safety Team with the primary responsibility of monitoring the security of our property and ensuring the safety of anyone on campus, especially while attending worship services. Each Sunday, the Safety Team's watchful presence will be in our parking lot and throughout the entire building, including greeting at the Narthex doors. Our goal is to ensure that worshipers at Holy Trinity feel safe and that our building remains a secure environment. The group is looking for more individuals to be a part of the team. Training will be provided. To request more information, email info@htlcok.org.

Holy Trinity Lutheran School robotics team is in need of Lego donations. Please note, that due to our team's league rules they must be Legos and not another building system.
