STEWARDSHIP THOUGHTS FOR YOU...

- * When you open your Bible,
ask the Author to open your understanding!
- * Worry does not empty tomorrow of its sorrows;
it empties today of its strength! ~ Corrie Ten Boom
- * God loves each of us as if there were only one of us.
~ Saint Augustine

Martin Luther on CHRISTIANITY. (Luther remarked in a circle of friends that Christianity is the oldest and only true religion.)

Christianity the Oldest and Only True Religion. No religion has been so continuous, no worship of God so long established as the Christian religion and worship of God. Apis, Baal, Apollo, Diana, and others have disappeared together with their cults. Similarly Mohammed, as a new god, will also shortly fall. Furthermore, also the greatest monarchies have disappeared – those of the Assyrians, the Babylonians, the Persians, and the Romans. But this lowly little people of the Jews and Christians has continued to exist. This is strong proof that God was present with this people. Moreover, this religion of ours is a faith that is not different from that of Adam, Abraham, and the other patriarchs. Then, too, Holy Scripture everywhere agrees with itself. Therefore our religion certainly is of God; and this worship of God will assuredly remain forever...
