STEWARDSHIP THOUGHTS FOR YOU...

- * When you can't have what you want, it's time to start wanting what you have! *- Kathleen A. Sutton*
- * Men are like steel: when they lose their temper, they lose their worth! *- Chuck Norris*

Martin Luther on SAINTS. (In Luther's 1522 exposition of First Peter 1:2, he says that Christians should not allow anyone to rob them of their spiritual nobility.)

Reclaiming the Name "SAINT." Scripture calls us holy... saints... while we still live on earth – if we believe. But this name the papists have taken from us; they say that we are not to be considered holy, that the saints in heaven alone are holy. Therefore we are compelled to reclaim the noble name. Holy you must be, but you must also guard against imagining that you are holy of yourself or by your own merit. **You are holy because you have God's Word, because heaven is yours, because you are truly pious and made holy by Christ.** This must be your confession if you would be a Christian. For it would be the greatest disgrace and blasphemy of the name of Christ if we did not concede to Christ's blood the glory that it washes away our sins, or if we did not believe that this blood sanctifies us.
