The current plan is for Holy Trinity graduates to complete:

- 24 or more total high school credits
- Four years of English, Mathematics, and Bible
- At least three years of Laboratory Science, with an additional Science or specialized elective available (Could be dual enrollment course, or AP course if available)
- Three years of History and Citizenship, including Oklahoma History, U.S. Government, World History, and U.S. History
- Personal Financial Literacy likely integrated into U.S. Government or a stand alone course
- Coursework in Health (.5), Physical Education (.5), Fine Arts (1) Communications (1), and World Language (2)
- Student-selected electives, advanced courses, and dual-credit opportunities based on individual interests, goals, and availability
- Regular chapel, Christian service, and the integration of faith throughout the curriculum
- College and career planning, including ACT preparation, academic advising, and postsecondary guidance

* Study Hall will not count toward graduation credit requirements

Final credit totals, course titles, and policies will be approved and published before enrollment.
